PARAGON GROUP

- ◆ Paragon Constructors Pvt. Ltd.
- ◆ Lucky Paragon Ready Mix Ltd.
- ◆ Paragon Developers Pvt. Ltd.

Paragon Constructors, the flagship company of Paragon Group, was established in 1991 and is now one of the leading, trusted and most reputable construction companies in Pakistan.

Our landmark projects include the third largest mosque in the world, Pakistan's first modern Cricket Stadium having a seating capacity of 50,000. We were the first to execute post tensioned slabs in a high-rise residential building. First Construction Company to do rammed earth. Only contractor to build three shopping malls in Pakistan. Paragon is currently constructing the majority of high rises.

Our quality management system provides us the basis for commitment towards un-compromised quality.

We have a track record of delivering projects before time and on budget.

Every project completed by Paragon stands as a testament to its motto of quality, speed and client satisfaction.

Our vision is to reach the highest level of Excellence and Professionalism in the Construction industry.
